.22 Sniper Match Details

The match is the 4th Saturday Every Month. Registration begins @ 09:30 AM. Safety briefing is at 09:45AM. Start time begins @ 10:00 AM. For Thanksgiving and Christmas holidays, we will hold the match on the THIRD Saturday of November and December.

E Range.

1. Front and rear rests allowed. No one piece rests allowed.
2. Targets will be shot from either Bench Rest or Prone
3. The match is a 60-round match, ten shots each, at 50, 75, 100, 125, 150, and 200 yards
4. Targets must fall to count.
5. Ties will be broken by number of hits at each distance, starting at 200 yards. Exact score ties for match win will be broken with a shoot off.

At each distance, competitors will have 5 minutes for unlimited sighters, then go to record fire when zeroed. Sighter shooting and shooting for record are all within the five minutes.

6. Sighters may be fired at each distance. Shooter may return to sighter at any time during the course of fire. However, only 10 shots can be taken for record targets.
7. Shooter fires 10 rounds only for score, one shot per target.
8. We will shoot 6 competitors at a time.
9. Match fees are \$10.

10. Target / Distances Size:

50 yd 3/4" x 2"
75 yd 1" x 2"
100 yd 1 3/4" x 2"
125 yd 2" X 3"
150 yd 3" X 4"
200 yd 4" X 5"

11. Rifles on firing line **will not** be handled while target setters are down range – bolt open, magazine removed, **chamber flag inserted**. **Note* Chamber Flags mandatory at all time except when the rifle is on firing line and range is “HOT”**. If you do not have a chamber flag, one will be provided by the Match Director.

12. Spotters encouraged. Bring your own scope.

13. Competitors not on firing line are expected to help set targets.

14. No safe area has yet been established for E range.
When established, no ammo is allowed at the Safe Area.

15. Rifles will remain cased or in rack when not on the line – bolt open, magazine removed, chamber flag inserted.

16. When moving with rifle – bolt open, magazine removed, chamber flag inserted, muzzle up. It is recommended to bring your rifle to the bench while still in the case, muzzle pointed down range. Same procedure from removing your rifle.
