Background:

Precision rifle shooting:

NRL is the premier precision rifle advocacy & support organization.

We are a non-profit engine of impacts that empowers organizations and athletes in precision rifle by providing education and opportunities for growth.

Precision rifle shooting has exponentially grown over the past few years with NRL at its forefront and we look to lead the way into the future for everyone wanting to participate in this sport.

Matches:

It is the goal of the NRL to help produce the best long range precision matches in the nation. Through our alliances with match directors we have developed a method to produce better matches with less confusion for a superior experience.

Competitors:

The competitors in our sport come from all walks of life, from doctors to farmers, students to retired military. It is this diversity that makes our sport so unique. It is a goal for the NRL to help develop and foster these relationships through specialized mentor programs and opportunities.
